

# Introduction for David Rich

It is now time to introduce our guest speaker.

A grade school teacher once told David Rich that if he could earn money with his mouth, he'd certainly become a billionaire! While he's still working on that, David has spent 32 years speaking to groups ranging in size from small community churches to the Fortune 100, teaching people and companies how to be "contagious."

David has made over 2500 presentations for over 2 million people in 49 states and 4 countries. He has been called, "The Most Personable Speaker in America," "The Ultimate Stand & Deliver Presenter," "A Closet Preacher Speaker," and "Mr. Contagious," but has never been called boring, too vanilla, or lacking passion for his message.

David is an author of 5 trade published books. His first of 5 books, *How to Stay Motivated on a Daily Basis* sold over 25,000 copies, his second book, *How to Click with Everyone Every Time* has been printed in now seven different languages, his 2006 book, *7 Biblical Truths You Won't Hear in Church BUT Might Change Your Life* has become an international best seller, and his latest book, *Contagious Selling* is in bookstores right now.

Please help me welcome David Rich....
